A beautifully landscaped village overlooking the majestic Murray River with walking trails, Community Centre and a vibrant and welcoming community

THE VILLAGE

Waterford Estate is a picturesque retirement village superbly located by the peaceful Murray River. With beautiful streetscapes, manicured gardens, water features and 2.5 acres of private wetlands and walking trails, there is an abundance of natural rugged beauty to be explored!

Only 50 minutes from Adelaide, Waterford Estate offers spacious 2 and 3 bedroom architecturally designed homes that are well appointed, private and secure. The village is pet friendly with enclosed gardens that ensure your furry family member remains safe.

The Waterford Estate community is made up of like-minded people who support and create

a relaxed, friendly and safe environment. The residents enjoy a vibrant and active lifestyle along with an array of optional social events and activities that are open to everyone. The newly refurbished Community Centre is well-equipped with pool tables, a dance floor, gymnasium, a library and a commercial kitchen. An undercover barbecue area and onsite workshop are also available for residents to use at their leisure.

With onsite management, Waterford Estate residents have peace of mind knowing that all maintenance, repairs and gardening is taken care of. This allows residents to have the freedom to spend their time doing things

they enjoy! With boat and caravan storage options, residents can continue the lifestyle they love without the worry of leaving their home unattended. Local shopping, cafes and amenities, a golf course, hospital and medical facilities are only 5 minutes away and transport to Adelaide is available.

Access will be available to the Romani aged care facility located adjacent to Waterford Estate if required, and will provide additional amenities, services and support for the local community.

ABOUT US
